

Dogtooth

Dogtooth (@dogtooth.mp3) is an SF based DJ. Reigning as a DJ for four years, she has continuously explored new sounds, often switching genres mid-set. They are attracted to music that is high energy, dark, and groovy. Genres they play but are not limited to are: techno, dark groove, acid, UKG, and house. She is always trying to push the limit of her artistic abilities and grow their skills. They are a resident DJ of Perfect Dark. Perfect Dark is a record label and collective dedicated to nurturing connections through a shared passion for electronic music.
