

Fauna

Hailing from the mountains of Northern California, Perfect Dark's Fauna is a dynamic DJ and producer known for her electrifying sets. Drawing inspiration from the harder styles of techno, Fauna's music is a blend of heavy bass kicks, trance-like breakdowns, and trippy, ethereal vocals. Her performances are a journey through sound, creating an atmosphere of raw intensity and emotional depth. Each set is meticulously crafted to keep the energy levels soaring, captivating audiences with a relentless drive and a unique touch that stands out in the techno scene.
